

Kentucky lost a hero.

They lost a husband & a father.

Help us preserve the memories of Kentucky's fallen heroes and help their families overcome the devastation of their losses.

Please help those who have protected you by giving generously to the Kentucky Law Enforcement Memorial Fund, the only memorial in Kentucky honoring all fallen peace officers and providing direct assistance to those they left behind.

When registering your vehicles, ask for the Fallen Officers' Trust license plate. ___% of the proceeds go directly to the foundation to help the families of those who have served to protect Kentuckians

A posthumous medal; a folded flag;
his name etched on a timeless memorial:
all fitting tributes to a fallen law enforcement officer.

....but none of that will pay his
children's college tuition.

The Kentucky Law Enforcement Memorial Foundation provides financial assistance, including 25 college scholarships annually, to the surviving families of Kentucky officers killed in the line of duty.

The Foundation is also the caretaker for the only memorial in Kentucky honoring all fallen law enforcement officers. Each year, unfortunately, new names – those who made the ultimate sacrifice – are added to the monument. Please help us honor their sacrifice and provide assistance to the families left behind.
